THE GREATER ST. CHARLES EDUCATION FOUNDATION MERIT SCHOLARSHIP

General Information

The Greater St. Charles Education Foundation was founded in 1992 to promote excellence in education through community awareness, involvement, and philanthropy. The Foundation accepts, solicits, and disburses contributions, gifts, and bequests from individuals, groups, or businesses to enhance educational opportunities offered students otherwise not available through regular funding resources.

The Foundation annually awards scholarships to one or more graduating seniors at each of the two high schools, St. Charles East and St. Charles North. The monetary value of each scholarship will be a minimum of \$1000.00. In order to qualify, seniors are expected to further their education at a 2-year or 4-year college or university, vocational school or post high school institution of higher learning. The scholarships are a one-time non-renewable award which will be granted on the basis of overall merit. The scholarship applications are available at St. Charles North and East High School guidance offices and www.stceducation.com.

Specific Requirements:

1. A grade point average of 3.0 or higher, to be supported by a copy of a transcript of grades. Please include a copy with the application.
2. Application to at least a two- or four-year college or university, vocational school, or other post high school institution. Proof of registration and enrollment will be required before payment of the scholarship.
3. Completion of a formal, personally oriented essay of approximately 300 words on the following topic:
 - What high school experiences have you had that you believe have prepared you for your further educational endeavors?
 - Specific courses, teachers, individuals, extracurricular or work activities, or volunteer opportunities can be cited and explained.
4. Letter of recommendation from a non-relative adult.
 - A teacher or administrator who knows you well or an adult outside of your respective high school. (Example: employer, civic, church or volunteer leader)

6. Completed application MUST be returned by **MARCH 15, 2010.**

Review of Applications

The judging of all applications will be done by a committee of three individuals who have no eligible students at the high schools nor are voting members of the board of Directors or Friends of the Foundation. Applications will be presented to the judging committee without identifying information and therefore, decisions will be made “blindly.” The application will be judged on meeting the specific requirements as well as organization of ideas, sincerity, neatness, grammar, and spelling.
